

CLOSED DEER HERD ELIGIBILITY FORM

Please complete all sections. Please provide figures below and not percentages.

1. Current herd size
2. Total number of adult deer (aged 24 months and older) in the herd
- 3a. Number of stock born in this season
- 3b. How many of these were killed over the past season?
- 4a. Number of stock born in the previous season
- 4b. How many of these were killed over the past season as yearlings (aged 12-24 months)?
5. Number of livestock (not for slaughter) sold over the past season
6. How many adults (aged 24 months and older) were killed over the past season?
7. When was the last clear whole herd test conducted?
8. Have you introduced new stock into the herd in the past season?

 Yes No

If YES to question 8, how many? Please provide ASDs for these.
