

Creating a movement (to yourself) in NAIT

Moving Day

Be a Mate, Update NAIT

1. Log into NAIT, from your home page select “create movement”

▶ **Create Movement** ?

Create movement records to and from your NAIT numbers

2. From here select sending movement

Select Movement Type

▶ **Sending Movement**

Click on this link to create a 'sending' movement to a NAIT Number

▶ **Receiving Movement**

Click on this link to create a receiving movement of animals from a NAIT Number

3. Choose your old NAIT number

▶ **Select NAIT Number you are sending animals from**

12346288, Laura Corcoran, Example Property

12347353, Laura Corcoran, OSPRI Farming

4. Enter your new NAIT number

▶ **Enter NAIT Number or Event Number you are sending animals to** ?

12347353

e.g. 7887

or [Search for NAIT Number](#)

or [Search for Event Number](#)

or [Select one of the NAIT Numbers that you previously used](#)

5. Enter the date you sent the animals

▶ **Enter date sent**

01/01/2022

6. Choose the method you'd like to select your tag numbers

▶ **How would you like to select the animal details for animals you are sending?**

- ▶ Type in tag visual ID or RFID
- ▶ Select from a list of animals registered to your NAIT number
- ▶ Upload a file with tag numbers ?
- ▶ Create a movement for animal(s) exempt from tagging

7. Once you have entered your tag numbers, select "create movement"

Select Animals

Movement Details

Sent	From	To
01/01/2022	12346288, Laura Corcoran Example Property	12347353, Laura Corcoran OSPRI Farming

▶ Enter tag numbers for animals that you are sending ?

! 50 out of 50 animals processed. ?

[Back](#)

8. As it is to your own NAIT number, the system will allow you to immediately confirm the movement, select "yes" if you'd like to do so or "no" if you'd like to confirm it later

Do you wish to confirm this animal movement now? ✕

Moving animals to own NAIT Number.

You are creating an animal movement where you are the person in charge of the animal(s) at both the sending and receiving NAIT Numbers.

Do you wish to confirm this animal movement now?
If you choose not to do this you can continue to record the animal movement and confirm it at a later time.

9. Once you've completed this, you'll see that your movement has been made successfully

✓ **Movement record creation successful** ✕
