

# Registering a NAIT number (already farming)

Moving Day  
**Be a Mate,  
Update NAIT**

1. Log into the NAIT system, select “register a new NAIT number”

▶ **Register a new NAIT Number** ?

Use this function to create a NAIT number.

2. Choose your location type from the drop down list

A screenshot of a web form. At the top, there is a label "Location type\*" followed by a dropdown menu. The dropdown menu is open, showing a list of options: "Farm", "Lifestyle Block", "Import/export transitional facility", "Quarantine area", "Zoo", and "Game estate/safari park". The "Farm" option is highlighted in blue. Below the dropdown menu, there is a search box with the placeholder text "Start typing and possible" and a search button.

3. Enter the physical address of the grazing block

▶ Search for your farm

We have validated your address. You can edit your address in the search box below.
